ITEM 4

AGENCY STATUS REPORTS

Project status updates were presented by the City of Jackson, the Jackson Area Transportation Authority, Jackson County Department of Transportation, the Michigan Department of Transportation and Jackson County Airport-Reynolds Field. The following project details were provided:

- City of Jackson – The Greenwood/Jackson traffic signal is complete. The change order for the project has been sent to MDOT to have concrete installed around the traffic circle instead of asphalt to reduce long-term wear on the road. The Martin Luther King Jr. Boulevard project is scheduled to be let on May 1. The FY2021 Morrell Street and Steward Street projects contracts with Hubble Roth Clark were approved by City Council.
- Jackson Area Transportation Authority – The new Gilig buses have arrived, and are being prepared to be put in use. They continue to pursue funding to replace other old buses.
- Jackson County Department of Transportation – The Norvell Road project is tentatively expected to be completed in early June. The McDevitt Road Phase 1 project bids have been received, and work is scheduled to begin soon. The Preventative Maintenance 2019 project will start on April 13. Paving will occur in the northwest quadrant of the county. Surveying for the Michigan Avenue Bridge project in Parma will start in mid-April, and a detour will be set up to go around the project. King Road project will be in the June 5th letting.
- Michigan Department of Transportation – The public meeting that was scheduled for April will be rescheduled as a virtual meeting. Direct mailings will be sent to households that live near the project corridor. More details will follow. The contractor for the M-60 over I-94 project has decided to shut down for two weeks in regards to the COVID-19 pandemic. MDOT is maintaining communication with the contractor on this matter.
- Jackson County Airport-Reynolds Field – Flight activity is down due to the COVID-19 pandemic. Colleges and university who use the airport for training have stopped. The airport remains open per FAA guidelines with measures in place to protect employees. The terminal apron reconstruction project pre-construction meeting is planned for May, with a project start day of May 20. The Airport Board is meeting via teleconference calls.

ITEM 5

APPROVAL OF AMENDMENTS TO THE JACTS FY 2020-2023 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

ITEM 6 CITY OF JACKSON / JACKSON COUNTY NON-MOTORIZED PLAN UPDATE

Ms. DeOliveira reported that the Project Steering Committee met to review the plan draft document in early March. The meeting was well attended, including stakeholders from the City and County. The meeting attendees provided the consultants meaningful feedback on the plan that required the document to be further refined. The following week, the City of Jackson staff and City Council met to discuss city-specific projects in more detail. Once the consultants have included the revisions and content that was generated from the March meetings, the final draft plan will be ready for public review. The public and other stakeholders will have an opportunity to review and provide comments on the project. Notification that the public comment period has opened will follow from Ms. DeOliveira via email. The opportunity for public input will also be posted on the Region 2 Planning Commission website and sent to local media and news outlets.

ITEM 7 OTHER BUSINESS

Mr. Duke asked the committee if they were interested in attending a future Policy meeting using the Zoom video-conference platform. Committee members voiced their interest.
