## Columbia Township Rail Trail

A paved off-road trail connection between the Village of Brooklyn and Columbia Central High School following former rail corridor; requires easements from numerous property owners with one home directly adjacent to corridor.

<b>Length</b>	2.1 miles
<b>Surface</b>	Paved off-road trail
<b>Right-of-Way</b>	Former Rail Corridor
<b>Public Input</b>	High Priority. Local stakeholders actively working on trail alignment.
<b>Ownership</b>	Village of Brooklyn and 1 private property owner
<b>Topography</b>	Assume a graded rail corridor
<b>Bridges + Boardwalks</b>	Minor. Near some wetlands.
<b>Road Crossings</b>	Minor
<b>Existing Structures</b>	Property owners' home near corridor
<b>Magnitude of Cost</b>	<u>\$1.61 Million (Further evaluation needed. Price could vary considerably due to easements.)</u>
<b>Route Alternative</b>	Turk Road

### Columbia Township Rail Trail Considerations

- 1 Pathway along east side of Hewitt Road connecting to Columbia Central High School
- 2 Rectangular rapid flash beacon crossing Cement City Road
- 3 Easement required along abandoned rail corridor in private property; owner home adjacent to trail corridor
- 4 Marked crosswalk at Dearmyer Road
- 5 Marked crosswalk at Constitution Avenue
