

Hanover

Hanover has a quaint Main Street area with the local library, school and park within walking distance.

Priorities

- Completing sidewalk gaps
- Improve crosswalks so they are compliant with the Americans with Disabilities Act and provide safe routes to schools
- Provide trail connection to Horton and the Falling Waters Trail via abandoned rail corridor

Credit: Google Streetview

Consumers Energy corridor along former railroad between Horton and Hanover

- 1 Unpaved trail along abandoned rail corridor on Consumers Energy property connecting to Falling Waters Trail in Summit Township
- 2 Potential for unpaved trail along abandoned rail corridor on Consumers Energy property connecting to Mosherville - work with land owners to provide trail link from State Street to Consumers Energy corridor
- 3 Improve school crosswalk - detectable warning, curb ramp, high visibility markings, signs, realign ramps so pedestrians are not dumped into the driveway
- 4 Improve crosswalks - detectable warning, curb ramp, high visibility markings, signs
- 5 Complete sidewalk gaps along Seward, Dean, Main and State
- 6 Pathway through Hanover on Village property
