Subject: **JCHMP Advisory Committee Recruitment**

Jackson County wants to develop an up-to-date edition of the *Jackson County Hazard Mitigation Plan* (JCHMP). The effort will involve a countywide Risk/Vulnerability Assessment and an associated Mitigation Strategy. Completion and approval of the next JCHMP edition will allow the County to apply for grants to complete hazard mitigation projects, further increasing the County's ability to plan for and mitigate the effects of hazards.

The Region 2 Planning Commission will facilitate the planning process. An Advisory Committee, which includes the Office of Emergency Management (Jackson County Office of the Sheriff), will develop the next JCHMP edition. The OEM and R2PC identified you as a key stakeholder and a potential member of the Advisory Committee (see the attached roster). The Committee will meet five times throughout the remainder of 2020 and 2021 (see the proposed schedule below).

The first Advisory Committee meeting will take place on Tuesday, August 25, 2020 via Zoom due to COVID-19. Please let Grant or Tanya know by Monday, August 17, 2020, if you are willing to serve on the Advisory Committee or will designate another official to participate in your place. This will give us time to recruit alternate members if needed and send out an agenda prior to the meeting. *Thank you for your consideration.*
