ITEM 1 CALL TO ORDER

Chair Kline called the meeting to order at 9:30 AM.

ITEM 2 PUBLIC COMMENT

No public comments were received.

ITEM 3 **APPROVE MINUTES OF THE TECHNICAL ADVISORY COMMITTEE MEETING OF JUNE 16, 2021 AND RECEIVE THE POLICY COMMITTEE MINUTES OF JUNE 17, 2021**

A motion was made by Mr. Rand, supported by Mr. White, to approve the Technical Advisory Committee meeting minutes of June 16, 2021, and receive the Policy Committee meeting minutes of June 17, 2021 as presented. The motion carried unanimously.

ITEM 4 **AGENCY STATUS REPORTS**

Project status updates were presented by the City of Jackson, Jackson Area Transportation Authority, Jackson County Department of Transportation, and the Michigan Department of Transportation. The following project details were provided:

- City of Jackson – The bridge capital preventative maintenance project is nearly complete, with the exception of work on the Trail Street bridge. The Elmdale Trail project is nearing completion, with the focus being on restoring the landscape along the trail.
- Jackson Area Transportation Authority – The project to install fences and gates will be completed in August. Since only one bid was received for the driveway project, the project will be going back out to bid. JATA received \$1.6 million in ARPA funds.
- Jackson County Department of Transportation – The South Jackson project will begin on July 26. The Union Street project in the Village of Parma was awarded to Rieth Riley. Michigan Paving came in as the low bid at 10% under the engineer's estimate for the McCain Road and Robinson Road project.
- Michigan Department of Transportation – Work on the Lansing Avenue Bridge over I-94 continues. The bridge has been demolished, and the contractors are developing a schedule for when the bridge will be reopened. The replacement of the two railroad bridges in downtown Jackson will be let later this summer.

ITEM 5 **APPROVAL OF AMENDMENTS TO THE JACTS FY 2020-2023 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)**

Mr. Cumberworth reported that JATA was requesting the following amendment to the JACTS FY 2020-2023 Transportation Improvement Program (TIP):

FY	Name	Limits	Primary Work Type	Description	Funds & Source
2021	5307 – CTF Urbanized Formula	Countywide	Operating	Operating Assistance	\$1,315,859 – Federal (5307) \$1,717,224 – State (CTF) \$3,033,083 – Total

Mr. Davis reported that MDOT was requesting the following amendment to the JACTS FY 2020-2023 Transportation Improvement Program (TIP):

FY	Job number	Phase	Name	Limits	Length	Description	Funds & Source	Amendment Type
2021	209494	ROW	TSC Wide	Various Locations – Jackson TSC	0	Modernizing signalized intersection to current standards	\$35,000 – Federal (STG) \$0 – State \$35,000 - Total	Budget over 25%
2021	212899	CON	I-94	I-94 from Jackson/Calhoun County Line east to M-60 in Jackson County	12.405	Tree removal and ROW fencing removal / installation	\$1,129,825 – Federal (IM) \$125,536 – State \$1,255,361 – Total	Add

A motion was made by Mr. Duke, supported by Mr. Taylor, to approve the amendments by JATA and MDOT as presented. The motion carried unanimously.

ITEM 6 **COUNTY FARM – SPRINGPORT CORRIDOR IMPROVEMENT / JACKSON TECHNOLOGY PARK – NORTH PROJECT OVERVIEW JCDOT**

Mr. Bentschneider gave a presentation on the County Farm project. The collaborated project was a partnership between JCDOT, Blackman Township, and The Enterprise Group. The EDA awarded a grant of \$5,918,000 for the project, with Blackman Township providing the local match of \$1,479,000. The formal project is on County Farm Road between Dearing Road and Shirley Road. The parcel that contains the Technology Park will have a new road along with new utilities on site. The intent is that the parcel is ready for any company that would like to locate on the site. The work on the project is scheduled to begin in calendar year 2022.

ITEM 7 **OTHER BUSINESS**

Ms. DeOliveira shared that work on the 2050 Long Range Transportation Plan project has begun. In preparation for the upcoming 2050 Long Range Transportation Plan, the total population and the total household data used in the Travel Demand Model must be reviewed for accuracy. The data represents the conditions for 2018, the base year for the Travel Demand Model. This data, along with the employment data, are used to predict future deficiencies along major traffic corridors within the transportation system in Jackson County. JACTS staff is working with MDOT and The Enterprise Group to review employment data for the area. A memo was sent to townships, villages, and the City of Jackson to review the population and household data. Data corrections are due by July 16, 2021.

ITEM 8 **PUBLIC COMMENT**

No public comments were received.

ITEM 9 **ADJOURNMENT**

There being no further business, Chair Kline adjourned the meeting at 10:30 AM.

A motion was made by Mr. Trudell, supported by Mr. Feldvary, to approve the Policy Committee meeting minutes of June 17, 2021 and receive the Technical Advisory Committee meeting minutes of June 16, 2021 as presented. The motion carried unanimously.

ITEM 4 AGENCY STATUS REPORTS

Project status updates were presented by the Jackson Area Transportation Authority, Jackson County Department of Transportation, Michigan Department of Transportation, Jackson County Airport-Reynolds Field, and The Enterprise Group. The following project details were provided:

- Jackson Area Transportation Authority – The project to install fences and gates will be completed in August. The Rides to Wellness program continues to do well.
- Jackson County Department of Transportation – The South Dearing project will be constructed in 2022. The preventative maintenance grade inspection plan review meeting is scheduled for late July. The South Jackson project will begin on July 26.
- Michigan Department of Transportation – The US-127 Ayers to Liberty Road project will be in the July letting. The MDOT railroad bridge replacement project in downtown Jackson will be in the August letting. The project to improve pedestrian facilities near the Henry Ford Allegiance Health hospital on East Michigan Avenue will be let in August.
- Jackson County Airport-Reynolds Field – The airport bought the snow removal truck from Houghton, Michigan for \$75,000. Airport employees are determining how the truck will be brought from Houghton to Jackson.
- The Enterprise Group – The public meeting at Northwest High School on June 29 for the County Farm Road project was well received by attendees.

ITEM 6 **COUNTY FARM – SPRINGPORT CORRIDOR IMPROVEMENT / JACKSON TECHNOLOGY PARK – NORTH PROJECT OVERVIEW JCDOT**

Mr. Bentschneider gave a presentation on the project. The project is comprised of an EDA grant of \$5,918,000, and a local match from Blackman Township for \$1,479,000. The formal project is on County Farm Road between Dearing Road and Shirley Road. The work on the project is scheduled to begin in calendar year 2022. The corridor will be improved to include new 5' sidewalks and 4' paved shoulders. The Technology Park will be built on a new parcel north of County Farm Road, and include the development of a new road named Irish Ayer Road. Ground penetrating radar will be used to confirm the boundaries of the cemetery within the project area, and to identify potential unmarked graves nearby.

ITEM 7 **OTHER BUSINESS**

Ms. DeOliveira gave a brief update on the JACTS 2050 Long Range Transportation Plan. MDOT has asked JACTS to review and approve the employment, population, and household data that will be used in the Travel Demand Model. The Enterprise Group has reviewed the employment data, and provided a few minor updates. Township, Village, and City officials were sent a memo and asked to review the population and household data by July 16, 2021. Mr. Duke stated that the information is used to determine if funds should be used to address deficiencies or preserving and maintaining the existing transportation system.

SUBJECT: Approval of the 2017 Total Employment Data, 2018 Total Population and 2018 Total Household Data used in the Travel Demand Model for the JACTS 2050 Long Range Transportation Plan

In preparation for the upcoming 2050 Long Range Transportation Plan, the total employment, total population, and total household data used in the Travel Demand Model must be reviewed for accuracy. The data are used to predict future deficiencies along major traffic corridors within the transportation system in Jackson County.

Staff completed an internal review of the total population and the total household information in June. Township, Village, and City officials were given an opportunity to review and provide feedback on the data in July. The Enterprise Group also reviewed the total employment data in July, and provided minor updates.

Staff is seeking formal approval of the information that will be used in the Travel Demand Model for the JACTS 2050 Long Range Transportation Plan. The data to be approved is in the table on the next page. Please contact Tanya DeOliveira at 517.768.6703 or tdeoliveira@mijackson.org with any questions or comments.
