

Region 2 Planning Commission

Serving Hillsdale, Jackson, and Lenawee Counties

JACKSON AREA COMPREHENSIVE TRANSPORTATION STUDY (JACTS)

Federal Funds Obligated in Fiscal Year 2021

As the state-designated Metropolitan Planning Organization for the Jackson urbanized area, the Region 2 Planning Commission, is responsible for developing and managing a 20-year Long Range Transportation Plan and a short-term, 4-year Transportation Improvement Program (TIP). The current edition of the TIP includes a listing of the approved road, highway, bridge, transit, and non-motorized projects programmed to receive federal and/or state funds in Jackson County during the 2020-2023 Fiscal Years.

The Federal legislation that was adopted in December 2015, Fixing American's Surface Transportation Act (FAST Act), continues the requirement of past legislation that *"an Annual Listing of projects, for which federal funds have been obligated in the preceding year shall be published or otherwise made available by the metropolitan planning organization for public review. The listing shall be consistent with the categories identified in the Transportation Improvement Program."*

In response to the above directive, the R2PC is providing a listing of all the projects in Jackson County "obligated" during FY 2021 (October 1, 2020 - September 30, 2021). The Federal Highway Administration (FHWA) defines obligated as the federal government's legal commitment to reimburse the implementing agency for the federal share of a project's eligible costs. Although not all obligated projects were initiated or completed during this fiscal year, they have been approved by the FHWA for reimbursement in FY 2021. Some projects actually constructed in FY 2021 were obligated in previous fiscal years and will not appear on this listing.

The complete list of the FY 2021 projects obligated in the JACTS area appears on the next several pages. Questions or comments may be directed to:
