ITEM 6**OTHER BUSINESS**

Mr. Gatz proposed to the committee the idea of cutting out some of the JACTS meetings that are done each year. He stated that many other MPOs do less than 12 meetings per year, and it would save him time to have to organize meetings every month, especially with many agendas being short. Some members of the committee proposed we still keep the same schedule, but plan out the TIP amendments so that they aren't approved every month, so that meetings could be canceled more frequently. Mr. Gatz said for the local agencies to provide him with the months they would be okay not having amendments approved and he will develop a proposed schedule.

ITEM 7**PUBLIC COMMENT**

No public comments were received.

ITEM 8**ADJOURNMENT**

There being no further business, Chair Kline adjourned the meeting at 11:24 a.m.
