Farmland and Open Space Preservation Program

Application for Farmland Development Rights Agreement

Requirements Checklist

INTRODUCTION

The Farmland and Open Space Preservation Program, or P.A. 116, is designed to protect farmland and open space through agreements that restrict development and provide tax incentives for program participation. A temporary restriction on the land between the state and a landowner, voluntarily entered into by a landowner, preserves the land for agriculture in exchange for certain tax benefits and exemptions for various special assessments.

The requirement for the land to be enrolled is either 40 acres or more and at least 51% in an agricultural use; or more than 5 acres but less than 40 acres and at least 51% in an agricultural use with a minimum income of \$200 per acre per year.

All items listed below must be included with the new application packet prior to submitting to your local governing body for review. Applications must be approved by the local governing body on or before November 1 to be effective for the current tax year. Incomplete applications will be returned to the local governing body and landowner for additional information and may be rejected to comply with the statutory 60-day deadline from the date of receipt by Michigan Department of Agriculture and Rural Development (MDARD).

LANDOWNER CHECKLIST

☒ **Complete all sections of the application.**

Applications which do not contain all required information will be returned to the landowner for completion. Incomplete applications may be rejected if required information is not provided within 60 days of receipt by MDARD.

☒ **Copy of recorded deed(s) or land contract(s), including signature page(s).**

Copies must contain all pages of the recorded documents and sufficiently document the chain of title from the previous owner.

- » If providing more than one deed or land contract, the land described in each recorded document must be under the same exact ownership (grantee names must match). If the names on the recorded documents do not match, separate applications will need to be completed.
- » All pages from recorded document, including any recorded exhibits, must be included.
- » If a current owner named on the deed/land contract is deceased, a copy of the death certificate must be provided.
- » All vendors/sellers listed on a land contract must sign and date the application where indicated.

☒ **Verify landowner has no additional encumbrances that would impact the agreement, such as**

- » Other conservation easements that would prevent agriculture use on the property.
- » Other easements granted to non-MDARD entities that could impact farmland tax credit eligibility.

☒ **Copy of most recent property tax assessment notice or tax bill with complete tax description of property and State Equalized Value (SEV).**

Include a statement by the applicant certifying the name of the owner of record, the legal description of the property, and all liens, covenants, and other encumbrances affecting the title to the land.

REQUIREMENTS CHECKLIST CONTINUES ON PAGE 2

☒ Map of the farm with structures and natural features.

A property survey or GIS image showing the property boundaries is sufficient. The map must include:

- » The boundary of land cited in the application.
- » A survey or accurate legal description for the property to be enrolled if less than property described in recorded deed.
- » All buildings (house, barn(s), etc.); label roads and other encumbrances (such as utilities and other non-agricultural uses); label all buildings and indicate current use and who resides in residences.
- » Current uses of the property (crops, pasture, forest, swamp, etc.).

NOTE: Any residential structures housing persons who are not essential to the farm operation will be excluded from the application. Residential buildings that fall within this category must have a property description for its exclusion or your application cannot be processed.

☒ Income certification for parcels 5 acres or more but less than 40 acres in size.

- » Do not submit income tax documents.
- » If available, include a letter from a CPA, tax preparer, or tax attorney attesting that you meet the minimum income requirements for enrollment.
- » Complete and sign the income certification form included with this application form.

☒ Submit complete application and checklist to the clerk of the local governing body (see below).

Maintain a copy of your application for your records.

The clerk will issue a receipt indicating the date the application was received and send copies of the application to the reviewing agencies.

The clerk will present the application to the local governing body at their next scheduled meeting. The local governing body has 45 days from the date the application is presented to approve or reject the application.

- » If the application is approved, the applicant will be notified by the local governing body within 10 days. The local governing body will forward the entire application packet to the MDARD Farmland and Open Space Preservation Office within 30 days.
- » Application documentation provided to MDARD must include local governing body resolution or meeting minutes.
- » If the application is rejected by the local governing body, the applicant will be notified within 10 days, stating the reason for rejection. The original application and all supporting documentation will be returned to the applicant. The applicant has 30 days to appeal the local rejection to MDARD.

LOCAL GOVERNING BODY CHECKLIST

- ☐ "Local Governing Body Requirements" on page 9 must be completed by the local governing body (Township Clerk if township has zoning authority; County Clerk if county has zoning authority). Local Clerk must present to the local governing body for approval or rejection.
- ☐ Statement from the assessing officer where the property is located specifying the current fair market value of the land and structures.

The local assessor must provide the property appraisal value on Page 10, in "Section I. Application Processing."

REQUIREMENTS CHECKLIST CONTINUES ON PAGE 3

- Copy of documents demonstrating minimum income from agricultural products (\$200 per acre for 2 of the last 3 years required for applications of 5 acres or more but less than 40 acres; or \$2,000 gross annual income for specialty farms).

Landowner signature on the application is required to certify the income information provided. A signed statement by a licensed professional (such as an attorney or accountant) may also be provided.

**MDARD HAS 60 DAYS FROM DATE OF RECEIPT FROM LOCAL GOVERNING BODY
TO APPROVE OR REJECT THE APPLICATION.**

The applicant will be notified within 10 days of the date of approval or rejection by MDARD.
